

WasteWise Company Profile

WasteWise is a modern waste management company dedicated to keeping our communities clean, healthy, and sustainable. We provide an easy-to-use service where customers can place an order for garbage collection, and our team handles the rest. With our structured system, waste management has never been easier.

What We Collect:

- Plastic waste
- Organic waste
- Paper & cardboard
- Glass
- Metal
- Electronic waste
- Household garbage
- Community waste

Areas We Operate:

We are available across major towns and counties in Kenya, including:

- Nairobi
- Nakuru
- Kisumu
- Eldoret
- Thika
- Murang'a

and surrounding communities.

Working Hours:

We are available daily from **5:00 a.m. to 8:00 p.m.**

Pickup Scheduling: Customers can schedule a pickup for the next day, but same-day pickups are not available.

Leadership Team:

- CEO: John Maynard
- Dedicated WasteWise Team Members

Our team is passionate about building a cleaner and greener Kenya.

Our Mission:

To provide reliable, efficient, and eco-friendly waste collection services for households, apartments, and communities across Kenya.

Our Vision:

To create a cleaner, healthier, and sustainable environment for future generations.

Join WasteWise in making Kenya a cleaner place to live. Whether in your home, apartment, or community, we are here to help you manage waste the smart way.
